**Life certificate**

If you live abroad, we can only pay your pension if you send in a valid proof of life once a year.

Please: complete the enclosed proof of life form truthfully and in full, sign the proof of life, have the proof of life officially notarised and return the original proof of life to us by post or e-mail. It is sufficient if you return the proof of life only once. It is not necessary to send it back several times.

You can have your proof of life notarised by the following authorities: an official office (e.g., a social insurance agency, municipal office, district administration, police, court), notary, an Austrian representative authority (e.g., embassy, consulate).

We cannot recognise a certification from a bank, a doctor, a pharmacy or a private home. A confirmation of registration is also not considered proof of life.

Please return the proof of life to us as soon as possible, otherwise we will have to suspend payment of your pension. The pension expires one year after it becomes due.

You must notify us within 7 days if you take up gainful employment. Any changes to your family circumstances and address must be reported within two weeks.

You must repay any benefits paid due to missing, incomplete, incorrect or late information.

Yours faithfully,
Sozialversicherungsanstalt der Selbständigen

Gemeinsam gesünder.
